

- 1) A resume or C.V. that includes:
 - Professional positions held, identifying duties, responsibilities, dates of employment and reason for leaving.
 - Education and training, identifying universities attended, dates of attendance, degrees and diplomas. Include all post graduate training, i.e. internships, residencies, fellowships.
 - Professional licenses, certificates, registrations
 - An accounting for periods of unemployment longer than three months
- 2) PCMO Application form: (Attached)
- 3) A completed PCMO applicant skills survey: (Attached)
- 4) Three professional references. **(At least two must be from professional medical colleagues who have directly observed the applicant in a clinical setting. The attached reference must be used).**
- 5) Clinical privileges form (Attached)

6) Photocopies of:
Academic diplomas.

If the candidate is an MD, he or she must be a graduate of a medical school listed on the following web site: <http://www.faimer.org/resources/imed.html> Additionally, the candidate must submit an official academic transcript.

Professional licenses. If the license does not have an expiration date, written confirmation must be submitted directly from the issuing authority. Please note, some countries do not require an actual license; rather, the medical diploma is the license to practice. If this is the case, the applicant must submit written confirmation issued directly from the professional medical board, Ministry of Health or other appropriate regulatory authority, establishing that the candidate is properly credentialed for medical practice.

Certificates of all post graduate training, internships, residencies, fellowship
Professional registrations

- 6) The candidate should also provide the following:
 - Date of birth
 - Place of birth
 - Citizenship
 - Passport number
 - Passport issue date
 - Passport expiration date**All documents must be in English or accompanied with an official translation.**
